PROFESSIONAL SUMMARY

Senior Creative Producer with 5+ years of experience delivering high-impact visual content across motion graphics, 3D animation, real-time visualization, video production, and AI-powered creative workflows. Experienced in leading end-to-end production pipelines—from client briefing and storyboarding to animation, rendering, post-production, quality assurance, and final delivery—for enterprise brands.

Proficient in Blender, Unreal Engine 5, iClone, Adobe Creative Suite, and emerging AI video platforms including Google Veo 3, Kling, Nano Banana, and Magnific. Combines an engineering mindset with creative problem-solving to optimize production workflows, evaluate visual quality, and rapidly adopt new technologies.

PROFESSIONAL EXPERIENCE

- Senior Manager - 3D Video Production** Mar 2022 - May 2026
DA Creatives / Digital Apple Pvt. Ltd. Remote
 - Led end-to-end production of 3D animation, motion graphics, AI-generated videos, and interactive visual experiences for enterprise B2B clients.
